To Whom It May Concern,

It is indeed a pleasure for me to write a letter of recommendation on behalf of MR Education Group. I have known Mr. Leon and Mr. Lobo for over 10 years now and have always found their organization to be an integral part in helping our multi modality facilities with both excellent candidates and excellent apprentices.

Their knowledge and reputation is second to none in the Medical Imaging Industry!

Should you need any further information on my business dealings with MR Education Group, please do not hesitate to call me directly at 305-279-2674.

Cordially,

Ruben Llera
